Behavioral ecology of tropical animals: 42 (Advances in the Study of Behavior)

Advances in the Study of Behavior was initiated over 40 years ago to serve the increasing number of scientists engaged in the study of animal behavior. That number is still expanding. This thematic volume makes another important "contribution to the development of the field" by bringing together material that aggregates studies conducted on the behavior of tropical animals. *Advances in the Study of Behavior* is now available online at ScienceDirect--full-text online from volume 30 onward.
