Blaze JoAnn Ross

Bestselling author JoAnn Ross turns up the heat in a novel of heart-stopping suspense and white-hot passion that takes readers from the sultry South Carolina Lowcountry to the rugged Northern California coast, and ultimately into the darkest reaches of the human heart....

Fire cop Tess Gannon is hot on the trail of a pyromaniac who's been setting buildings ablaze throughout Somersett, South Carolina, when ATF Special Agent Gage O'Halloran arrives on her fire scene. Coming out of a self-imposed exile, Gage suspects that Tess's "Flamemaster" is connected to a serial killer he apprehended three years ago.

Tess doesn't like Gage. He's too rude. Too arrogant. Too damn...male. Worse yet, she doesn't trust him. Forced into an uneasy alliance, Tess and Gage race to stop the killer from striking another fatal match. But Gage's fragile hope for redemption is put to the test when Tess becomes ensnared in a homicidal pyromaniac's deadly obsession. And time is running out....

From reader reviews:

Cornell Neal:

Reading a e-book tends to be new life style with this era globalization. With looking at you can get a lot of information that can give you benefit in your life. Using book everyone in this world can share their idea. Guides can also inspire a lot of people. A great deal of author can inspire their particular reader with their story or maybe their experience. Not only the story that share in the textbooks. But also they write about advantage about something that you need case in point. How to get the good score toefl, or how to teach your children, there are many kinds of book which exist now. The authors in this world always try to improve their talent in writing, they also doing some exploration before they write to the book. One of them is this Blaze.

Dawn Williams:

That e-book can make you to feel relax. This particular book Blaze was vibrant and of course has pictures on there. As we know that book Blaze has many kinds or variety. Start from kids until teens. For example Naruto or Detective Conan you can read and believe you are the character on there. Therefore , not at all of book usually are make you bored, any it makes you feel happy, fun and unwind. Try to choose the best book for you personally and try to like reading this.

Beth French:

As a college student exactly feel bored to be able to reading. If their teacher expected them to go to the library or even make summary for some reserve, they are complained. Just tiny students that has reading's heart or real their pastime. They just do what the instructor want, like asked to the library. They go to generally there but nothing reading very seriously. Any students feel that studying is not important, boring and also can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important for you personally. As we know that on this era, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore this Blaze can make you feel more interested to read.

Steven Delorme:

What is your hobby? Have you heard this question when you got college students? We believe that that question was given by teacher to their students. Many kinds of hobby, Everybody has different hobby. And you also know that little person including reading or as reading through become their hobby. You should know that reading is very important and also book as to be the thing. Book is important thing to provide you knowledge, except your personal teacher or lecturer. You will find good news or update about something by book. Numerous books that can you take to be your object. One of them are these claims Blaze.
