Dangerous Games: Ice Climbing, Storm Kayaking, and Other Adventures from the Extreme Edge of Sports Andrew Todhunter

In this elegant and exciting collection Andrew Todhunter, himself an extreme sportsman and the author of the critically acclaimed **Fall of the Phantom Lord**, takes readers along as men and women push themselves to their limits in the world's riskiest sports.

In several of these essays Todhunter writes from personal experience, joining his subjects as they free fall from cliffs, wriggle through narrow underground crevices, and dive deep beneath the ice of a frozen lake. In these adrenaline-laced accounts of extreme sportsmanship, Todhunter captures not only the thrill of conquest but the deep pleasure of being someplace few others have gone as well.
