End of History and the Last Man

Francis Fukuyama

End of History and the Last Man Francis Fukuyama

Ever since its first publication in 1992, *The End of History and the Last Man* has provoked controversy and debate. Francis Fukuyama's prescient analysis of religious fundamentalism, politics, scientific progress, ethical codes, and war is as essential for a world fighting fundamentalist terrorists as it was for the end of the Cold War. Now updated with a new afterword, *The End of History and the Last Man* is a modern classic.
