Fiesta of Smoke Suzan Still

Against a backdrop of rebellion and intrigue, love between Javier Cartaña, commander of insurgent Mexican forces, and Calypso Searcy, an American novelist at the pinnacle of her career, sizzles with passion across a broad sweep of history. Encompassing time from the Conquest of the 1500s to the present, the story races across space as well, from the forests of Chiapas to the city of Paris. There, an international investigative reporter named Hill picks up the swiftly vanishing trail of Calypso's disappearance, and unwittingly becomes involved in one of the great dramas of the twentieth century and one of the great love stories of any age.
