Little Nothing Marisa Silver

In an unnamed country at the beginning of the last century, a child called Pavla is born to peasant parents. Her arrival, fervently anticipated and conceived in part by gypsy tonics and archaic prescriptions, stuns her parents and brings outrage and scorn from her community. Pavla has been born a dwarf, beautiful in face, but as the years pass, she grows no farther than the edge of her crib. When her parents turn to the treatments of a local charlatan, his terrifying cure opens the floodgates of persecution for Pavla. *Little Nothing* unfolds across a lifetime of unimaginable, magical transformation in and out of human form, as an outcast girl becomes a hunted woman whose ultimate survival depends on the most startling transfiguration of them all. Woven throughout is the journey of Danilo, the young man entranced by Pavla, obsessed only with protecting her. Part allegory about the shifting nature of being, part subversive fairy tale of love in all its uncanny guises, *Little Nothing* spans the beginning of a new century, the disintegration of ancient superstitions, and the adoption of industry and invention. With a cast of remarkable characters, a wholly original story, and extraordinary, page-turning prose, Marisa Silver delivers a novel of sheer electricity.
