The Child Snatcher: A Novel Aria Johnson

With the same gripping tension of *The Girl on the Train* and *The Good Girl*, *The Child Snatcher* tells the suspenseful story of a mother trying to save her lazy son from himself and then from an enigmatic woman of dubious character who seems determined to systematically destroy her small family.

Claire Wilkins is at her wits' end with her son, Brandon, a college dropout who spends his time lounging around the house. Claire, tired of seeing him waste his life playing video games and trolling the Internet, gives him an ultimatum: get a job, get back to school...or get out.

Brandon decides to move in with a total stranger that he met in an online porn chatroom. This mysterious young woman, Ava, abruptly leads him down a dark path into a dangerous world. Terrified for her now distant son, Claire tries to entice Brandon to return home and discovers the true nature of his toxic and abusive relationship with Ava.

But her world explodes when Brandon does the unthinkable. Her only glimmer of hope is discovering that Brandon and Ava are expecting a child. Claire believes she coddled Brandon too much and that she was a terrible mother. But maybe she can get a second chance and be a much better grandparent. Unfortunately, Ava's plan for hers and Brandon's child does not include Claire. In fact, Ava's plan is so nefarious that Claire is willing to risk everything, including her life, to save her innocent grandson.

A spellbinding race against time, *The Child Snatcher* is a timely and terrifying thrill ride that will haunt you long after you've turned the final page.
