The Dragon Pool (Hellboy) Christopher Golden

Hellboy, a bloodred, cloven-hoofed demon raised by the United States government, is a top field agent for the Bureau for Paranormal Research and Defense. He questions the unknown -- then beats it into submission.

In the upper reaches of the Himalayas, Hellboy's ex-girlfriend, archaeologist Anastasia Bransfield, believes she has found the location of the legendary "Dragon King Pool" -- thought to be the ancient dwelling of an evil dragon who inflicted horrific devastation on the land and its people. Every year the villagers would sacrifice a child to placate the beast, until one day an unlikely hero fought the dragon and won, bringing peace and prosperity to the land.

But Anastasia's triumph at her discovery is short-lived. Soon unearthly creatures are seen lurking around the dig site, someone is sabotaging the excavation with dire results, and the young daughter of one of the dig leaders goes missing. It looks like a job for Hellboy -- but his toughest challenge might be putting his past with Anastasia behind him....

From reader reviews:

Susan Burroughs:

Nowadays reading books are more than want or need but also be a life style. This reading addiction give you lot of advantages. The huge benefits you got of course the knowledge even the information inside the book which improve your knowledge and information. The details you get based on what kind of guide you read, if you want drive more knowledge just go with education books but if you want really feel happy read one having theme for entertaining for example comic or novel. The actual The Dragon Pool (Hellboy) is kind of book which is giving the reader unstable experience.

Sammy McManus:

Information is provisions for individuals to get better life, information presently can get by anyone at everywhere. The information can be a information or any news even a concern. What people must be consider whenever those information which is from the former life are challenging be find than now's taking seriously which one is suitable to believe or which one often the resource are convinced. If you receive the unstable resource then you get it as your main information we will see huge disadvantage for you. All those possibilities will not happen in you if you take The Dragon Pool (Hellboy) as the daily resource information.

Jose Callender:

Your reading sixth sense will not betray a person, why because this The Dragon Pool (Hellboy) reserve written by well-known writer who knows well how to make book that can be understand by anyone who all read the book. Written with good manner for you, dripping every ideas and producing skill only for eliminate your hunger then you still question The Dragon Pool (Hellboy) as good book not merely by the cover but also by the content. This is one guide that can break don't determine book by its cover, so do you still needing one more sixth sense to pick this!? Oh come on your reading through sixth sense already said so why you have to listening to another sixth sense.

Emily Higginbotham:

This The Dragon Pool (Hellboy) is completely new way for you who has intense curiosity to look for some information mainly because it relief your hunger details. Getting deeper you on it getting knowledge more you know otherwise you who still having little digest in reading this The Dragon Pool (Hellboy) can be the light food for yourself because the information inside this specific book is easy to get simply by anyone. These books build itself in the form which can be reachable by anyone, that's why I mean in the e-book form. People who think that in publication form make them feel drowsy even dizzy this guide is the answer. So there is absolutely no in reading a book especially this one. You can find what you are looking for. It should be here for you actually. So , don't miss the idea! Just read this e-book sort for your better life and knowledge.
