## **Blindsided** Karis Walsh

Guide dog trainer Lenae McIntyre left the high-speed world of television news writing behind, and now she helps other visually impaired people adjust to life with their canine companions. She teaches her students and their dogs to trust each other, but a past betrayal and the determination to be self-sufficient and independent keep her from trusting her heart to see love.

Cara Bradley compensates for her family's shallow celebrity lifestyle by devoting her life to helping others, while keeping to the background. She reluctantly commits to a year of puppy walking a four-legged whirlwind named Pickwick so she can film regular segments for a local news program while helping promote the McIntyre Training Center, but she is unprepared for the changes that the driven and aloof Lenae will bring to her life. Blindsided by love, can Lenae and Cara learn to trust and guide each other toward a new vision for their future?
