Bruce Wagner

I'm Losing You: A Novel Bruce Wagner

“A writer without mercy . . . this book is like a wire stretched across the throat.” —Oliver Stone

In an epic novel that does for Hollywood what *Nashville* did for Nashville, *I'm Losing You* follows the rich and famous and the down and out as their lives intersect in a series of coincidences that exposes the “bigger than life” ferocity of Hollywood—and proves that Bruce Wagner is a talent to be reckoned with. Wagner, author of the novel *Dead Stars*, examines the psychological complexities of Hollywood reality and fantasy, soaring far beyond the reaches of Robert Stone's *Children of Light* and Nathaniel West's *The Day of the Locust*.
