## **What's So Great About Christianity** Dinesh D'Souza

In a world of facts and figures, can an intellectual have *faith*? Is it possible to believe anything the Bible says? Yes, and one man will show you how.

Amidst scientists' attempts to debunk Christianity's truths and atheists' assuming the Bible is a how-to-be-virtuous self-help book, bestselling author Dinesh D'Souza resolves to both answer the tough questions and challenge believers as well as doubters to search for the ultimate truths about theories of origin. D'Souza tackles subjects and events such as the Crusades and the Spanish Inquisition, the Big Bang theory and Darwinism—everything you always pondered but never scrutinized, now placed under the proverbial microscope and studied thoroughly.
