Wiley CPA Examination Review, Auditing (Annual) Patrick R. Delaney

This text is part of a four-volume paperback set providing outlines and study guides plus problems and solutions, each packaged according to the examination part. Many of the questions are taken from the previous exams to provide the information needed to sit the Uniform CPA Examination. Each volume contains relevant and current outlines, study guides, problems and solutions that allow candidates to focus on the specific topic that needs the most work. The volumes are organized into 44 study units (modules) and should assist candidates in organizing their study programmes.
