Arian's Angel Tara Nina

When burned-out action star Arian Adams arrives at his parents' home, he stumbles into bed and lands in the arms of a mysterious stranger named Angel. Their connection appears to be fated, bringing to life the predictions of his agent-manager—danger and an angelic beauty will be his next great adventure. Shaken by visions of his astrological sign drinking from the water of Aquarius each time he touches Angel, Arian's strong belief in astrology warns him—she's his Venus, his life mate. But she can't be, he knows nothing about her other than she's beautiful and makes him aroused just by standing near him. Though Arian wants her, he's got one big problem—not knowing her past. Angel is on the run, desperately hoping to evade her past. She seeks solace in a small town named Chance, hoping the town's name will signal a normal life. But it's far from normal when a gorgeous hunk jumps in her bed and ignites an insatiable need for hot sex. Though Angel wants him, keeping her secrets from Arian could destroy their connection forever.
