Bo Kong

China's International Petroleum Policy (Praeger Security International) Bo Kong

Author Bo Kong reveals how China's international petroleum policy is shaped by the cogovernance of the country's petroleum sector by its government and national oil companies, whose interests are at cross purposes with each other.

- Draws on original documents published by the Chinese government and Chinese national oil companies, together with interviews with government officials, industry analysts, and experts in China, the United States, and Africa
- Includes data-rich appendices, a chronology, and a bilingual bibliography
