Celeste Styles is a woman torn. On one hand, she has found happiness with the love of her life, Raheem "Rah-Lo" Henderson. He is unhappily married with children, and Celeste is his well-kept secret. He loves Celeste without question, proving his affection for her by financing her dream: a beauty salon called "Dime Piece." But when Rah-Lo is incarcerated for his part in a brutal crime, his right hand man Ishmael Wright is left to hold down the fort. This causes him to come face to face with the feelings he has secretly harbored for Celeste for far too long. While Rah-Lo is away, will Celeste and Ishmael give into their passion for each other, or will their loyalty to Rah-Lo stand in their way? Meanwhile, Dime Piece is the setting for tons of drama between hairstylists Charly, Nina and Robin. The ladies vie for one man's attention and the fireworks begin. Dime Piece is packed with drama, love triangles and passionate encounters. The question is, which of the ladies will ultimately be the one and only "Dime Piece?"
