El verdadero significado del Smekdía (Spanish Edition) Adam Rex

“Una historia tan original, tan absorbente y tan hilarante que cuando uno llega a la última página, quiere leerla otra vez desde el principio...”

The New York Times Book Review

Desternillante novela de ciencia-ficción en la cual el humor sirve para trazar una imagen irónica de la condición humana y sus debilidades.

Este sorprendente libro combina texto, historieta y extraordinarias viñetas, todo ello obra del premiado escritor-ilustrador Adam Rex. Una niña de 11 años llamada Gratuity Tucci –a quien todos conocen como “Tip”– debe escribir un ensayo para la escuela, el cual titula “El verdadero significado de Smekday”. Pero, ¿qué es Smekday? Es el nombre con el que se conmemora la invasión extraterrestre ocurrida tiempo atrás. Los recién llegados han ocupado Estados Unidos, al cual rebautizaron como Smekland, en honor de su capitán Smek, obligando a los terrícolas a vivir en Florida. La novela fue adaptada a la gran pantalla por Dreamworks Animation con el nombre de "HOME".
