Florence (Images of America)

Brenda Harrison, Jennifer Leach

Florence (Images of America) Brenda Harrison, Jennifer Leach

Originally formed as a railroad terminal, the city of Florence, South Carolina, has developed from a township with agrarian roots into a city that is an indispensable medical hub and a place of flourishing business and industry. After being named for Florence Henning Harlee, daughter of the first president of the Wilmington & Manchester Railroad, Florence was chartered in 1871 and then incorporated on December 24, 1890. It is now the largest city in the northeastern portion of South Carolina, and its humble beginnings have given way to a heritage rich in tradition and southern charm. Images of America: Florence showcases storied photographs, culled from personal collections, family archives, the City of Florence, and local businesses. Each view, coupled with fact-filled captions, reveals yet another part of the story of this fine example of a genteel, southern city.
