Horses teach life's great lessons--keep it simple/ learn to think differently/ lead by respect, not dominance/ consider the horse's (other person's) perspective. *Horse Wise* is full of horse sense and human common sense. Horsewoman and author Cheryl Kimball uses endearing real-life stories of working with horses to tell readers what her horses have taught her about managing a company, being a leader for employees in times of trouble, and how to live everyday life more deeply and authentically.

Among the many valuable lessons horses have taught Kimball over the years are:\* Learn to Control Your Anger\* Leadership is an Important Thing\* The Importance of Consistency\* Don't Force Things\* Be Humble

Readers don't need a horse to apply the life lessons of *Horse Wise*. Sharing stories from her horse world, Kimball explains how the lessons learned from the horse apply to the world of people and our relationships with each other--and ourselves.

Funny and poignant stories show readers that when we put ourselves in a horse's shoes, we gain compassion and wisdom--and we get what we need.
