## **Manual da dupla evolutiva (Portuguese Edition)** Waldo Vieira

Nesta obra, o leitor encontra as bases da técnica da dupla evolutiva: um novo conceito de relacionamento a dois, altruísta, onde os parceiros somam esforços para que, a partir da vida afetiva e sexual, possam expandir a assistência para as demais consciências.

A partir do discernimento a dois, sem idealizações românticas e mitos como alma gêmea ou príncipe encantado, o Manual propõe técnicas para a dinamização da evolução dos parceiros, alcançada a partir da construção de uma relação com base no princípio da admiração-discordância e da convivialidade sadia, onde a relação afetiva se torna ponte para maxifraternidade mais ampla.
