**Mystery Walk** Robert R. McCammon

**Two young psychics do battle with an ancient evil**

Billy Creekmore was born to be a psychic. His mother, a Choctaw Indian schooled in her tribe's ancient mysticism, understood that the barrier between life and death is permeable. She knew how to cross it, and used that knowledge to help the dead rest easier. She passed that power on to her son, and he has spent his whole life learning how to communicate with the dead to prevent them from meddling with the living.

Though his powers are the same, Wayne Falconer's background could not be more different. The son of a prominent preacher, he would be disowned if his father learned he was using supernatural powers in service of the church. Though they don't know each other, Billy and Wayne share a recurring dream—and a common enemy. When a nightmarish monster descends on their community in Alabama, mankind's fate will rest in their hands.
