A great value! Two military manuals combine into one book. If you purchase both books separate you will pay more for the books plus shipping cost. Rappelling: This manual provides basic rappelling techniques to soldiers and leaders for the conduct of rappelling operations. It serves as the primary reference for both resident and nonresident instruction presented to cadets, officer candidates, and both commissioned and noncommissioned officers. This circular also discusses several advanced techniques dealing with infiltration and exfiltration. FM 7-85 Ranger Unit Operations: The fundamentals apply to the employment of ranger units on worldwide operations and across the spectrum of conflict from low to high intensity warfare. The scope of this publication addresses the mission, organization, equipment, capabilities, limitations, planning, training, operations, and logistical support of ranger units. Subjects covered in detail: Introduction, Organization and Equipment, Deployment, Insertion, Extraction, Escape, and Evasion, Strike Operations, Special Light Infantry Operations, Combat Support, Combat Service Support, Training. Very easy to read and understand with many pictures to help improve understanding.
