Witchcraft in Early North America (American Controversies) Alison Games

Witchcraft in Early North America investigates European, African, and Indian witchcraft beliefs and their expression in colonial America. Alison Games's engaging book takes us beyond the infamous outbreak at Salem, Massachusetts, to look at how witchcraft was a central feature of colonial societies in North America. Her substantial and lively introduction orients readers to the subject and to the rich selection of documents that follows. The documents begin with first encounters between European missionaries and Native Americans in New France and New Mexico, and they conclude with witch hunts among Native Americans in the years of the early American republic. The documents—some of which have never been published previously—include excerpts from trials in Virginia, New Mexico, and Massachusetts; accounts of outbreaks in Salem, Abiquiu (New Mexico), and among the Delaware Indians; descriptions of possession; legal codes; and allegations of poisoning by slaves. The documents raise issues central to legal, cultural, social, religious, and gender history. This fascinating topic and the book's broad geographic and chronological coverage make this book ideally suited for readers interested in new approaches to colonial history and the history of witchcraft.

From reader reviews:

Roy Christy:

What do you concentrate on book? It is just for students since they are still students or that for all people in the world, the actual best subject for that? Simply you can be answered for that question above. Every person has different personality and hobby for each and every other. Don't to be pushed someone or something that they don't need do that. You must know how great and also important the book Witchcraft in Early North America (American Controversies). All type of book would you see on many methods. You can look for the internet options or other social media.

Shirley Glover:

Are you kind of occupied person, only have 10 or perhaps 15 minute in your morning to upgrading your mind proficiency or thinking skill even analytical thinking? Then you are having problem with the book when compared with can satisfy your small amount of time to read it because pretty much everything time you only find guide that need more time to be examine. Witchcraft in Early North America (American Controversies) can be your answer as it can be read by you who have those short free time problems.

Scott Anderson:

Many people spending their time by playing outside using friends, fun activity together with family or just watching TV all day long. You can have new activity to enjoy your whole day by examining a book. Ugh, ya think reading a book can really hard because you have to use the book everywhere? It alright you can have the e-book, bringing everywhere you want in your Smart phone. Like Witchcraft in Early North America (American Controversies) which is keeping the e-book version. So , try out this book? Let's observe.

David Betancourt:

What is your hobby? Have you heard that will question when you got students? We believe that that question was given by teacher for their students. Many kinds of hobby, Everybody has different hobby. And you also know that little person just like reading or as reading become their hobby. You should know that reading is very important in addition to book as to be the issue. Book is important thing to provide you knowledge, except your current teacher or lecturer. You see good news or update in relation to something by book. Numerous books that can you decide to try be your object. One of them is this Witchcraft in Early North America (American Controversies).
