City girl Reagan Sullivan may know her way around New York City, but nothing back East has prepared her for the land of armadillos and tall Texans. Chasing after adventure to blur an unhappy past, the highly independent Reagan has landed a job out West—but quite clearly she is not out to land a husband. When the gentle rancher Cash Rawlings comes into her life, Reagan finds herself intrigued with the man and his faith—but love and commitment are adventures this city girl has vowed never to embark upon.

Will Reagan be able to come to terms with her fragile past and discover a new way of living without fear? And will the faith and peace that belong to so many of her new friends ever enter her own life?
