God, Israel and You: The Scandalous Story of a Faithful God Michael Onifer, Joshua Charles

God, Israel and You is a fresh and insightful perspective on an oversaturated and over politicized subject.

The book invites you to think honestly and courageously about Israel. Rather than coming at the issues with an us-versus-them mentality, *God, Israel, and You* reveals a God who is involved and gets His hands dirty by working through flawed people like you and me. *God, Israel, and You* embraces the paradoxes of the Bible: it is both straightforward and mysterious, accessible and infinite, supernatural and practical. *God, Israel, and You* shows you God like you may not have seen Him before.

The Arab-Israeli conflict is an increasingly polarized topic and issues like abortion, and homosexuality, often drive wedges both between the church and the world. Why is there such division between the church and the world and even among believers themselves about these issues, especially Israel?

Evangelical support for Israel among the younger generation is dropping at an alarming rate. The power of personal narrative elevates emotion over information and conclusions about Israel often lack historic and ideological context as well as the benefits of a cultivated biblical world view. The result is a shallow understanding of biblical justice and compassion void of wisdom.

God, Israel, and You attempts to bridge the gap by providing a courageous and honest look at Jesus, His involvement throughout redemptive history, and how that interaction relates to the issues of today. It makes the case for Israel by being pro-God and highlights the redemptive purposes for the Arab world to a new generation through scripture, history, and morality.

Believers are called to be ready with an answer for the faith that is within us. *God, Israel, and You* is about answers; ultimately it's about the knowledge of God, finding hope in this chaotic world, and recognizing the story where we find a faithful God who is intimately involved with the affairs of mankind. *God, Israel and You* recognizes that God is using both Jews and Arabs, and the next generation in a way that reflects the character of Jesus. When we understand this, we can better understand God, Israel, and ourselves.
