**Rumors (Harlequin Historical)** Louise Allen

What does it matter if society spurns me?

Following a disastrous incident at a house party, Lady Isobel Jervis is exiled to the country to avoid further scandal. At the imposing Wimpole Hall, she meets architect Giles Harker. He is as eye-catching as the elegant house, but shockingly arrogant—and infuriatingly dismissive.

Despite himself, Giles is strangely drawn to the haughty Isobel, and stuns her with a secret kiss in the gardens. As the illegitimate son of an infamous scarlet woman, he knows love can be dangerous. Their growing attraction could come at the cost of both their reputations.

**This novel set at Wimpole Hall features real-life characters and is written in association with the National Trust.**
