The Blueprint: A Revolutionary Plan to Plant Missional Communities on Campus Jaeson Ma
God is calling forth a generation that is passionate for His presence. What does that look like, and how can it be accomplished? Jaeson Ma offers a powerful vision of what God is radically doing in this generation. Students are already being set on fire for God, planting missional communities, praying fervently, and stepping out in faith to see God move in power to reach the lost. It is time to see this manifested on every campus, in every city, and in every nation. Through his own personal stories, student testimonies, and practical biblical teaching, Ma envisions and practically equips student and staff leaders to change themselves and their campuses for Christ. Readers of *The Blueprint* will receive a clear vision for revival and reformation of society, a specific spiritual DNA (passion for prayer, power evangelism, and planting simple churches), and practical tools to see the vision for reformation become a reality. That's the plan. Now to see the revolution unfold!
