The Messiah Secret (Chris Bronson) James Becker

Assessing the contents of a lavish English estate, museum conservator Angela Lewis discovers a crate full of sealed pottery jars-one of which holds a parchment which describes the life and times of Jesus of Nazareth.

For Angela, the find is a miracle-a written reference to Jesus outside of the New Testament. But her discovery draws her and her husband, Chris, into a centuries-old race for the truth that they may not win...or survive.
