10 ways to tap into your social genius

By developing your Social Intelligence you can understand and appreciate everyone you meet; what motivates them, what their personal needs are, and how you can make them comfortable and pleased to be with you.

With four colour maps and lively text this book shows you how to:

Improve every aspect of your social skills, both in relationships and at work

Become more confident

Have a more active and successful social life

Become a better communicator and a fearless public speaker

Improve every aspect of your social skills, in relationships and at work
