## **I, Ripper: A Novel** Stephen Hunter

“[A] dark, bloody triumph...convincingly mad, alternatively even-tempered, hallucinatory and cackling...the book’s characters are great, its race to capture the murder is beautifully tense, and it has one of the best twists I can remember in any recent historical thriller.” —*The New York Times Book Review*

“Absolutely riveting....Authentic in tone, well researched, and darkly atmospheric of Victorian London, this historical thriller combines the quiet plausibility of the psychopath in Thomas Harris’ *Red Dragon* (1981) with the menacing tone of Kenneth Cameron’s *The Frightened Man* (2009).” —*Booklist*

The electrifying new thriller from *New York Times* bestseller Stephen Hunter takes you deep inside the mind of the most notorious serial killer of all time: Jack the Ripper.
