Managing the Profitable Construction Business: The Contractor's Guide to Success and Survival Strategies Thomas C. Schleifer, Kenneth T. Sullivan, John M. Murdough

Take control of your construction contracting business and manage it through the natural highs and lows of the construction market.

Learn from a team of construction business veterans led by Thomas C. Schleifer, who is commonly referred to as a construction business "turnaround" expert due to the number of construction companies he has rescued from financial distress. His financial acumen, combined with his practical, hands-on experience, has made him a sought-after private consultant. His experience and no-nonsense philosophy have truly given him a unique perspective. Important topics covered include:

- Understanding the primary areas of construction business failure in the next decade
- Minimizing business risk with real-world examples
- Developing a positive and competent management attitude and strategy

Discover how to maneuver through this complicated and risky industry by using the authors' research and proven success strategies to sustain and grow your business.
