The Field Lydia Thomas

Lured by a charming prospector and the promise of buried treasure, three women embark on separate journeys to a forbidden Field. Hava, doing the bidding of the prospector, inadvertently unleashes a battle in the Kingdom, and the consequences of her actions leave her guilt-ridden and isolated. Delilah, daughter of an influential Kingdom ambassador, uses her philosophical wit to recruit treasure hunters to her own cause. Lilly, ever a loner, seizes the opportunity to do something meaningful and be recognized for it. Through their respective encounters with the Field, Hava, Delilah, and Lilly take up their roles in the age-old battle between the King and those who oppose him in ways none of them had planned. In the vein of John Bunyan's *The Holy War*, Lydia Thomas weaves an allegorical fantasy about redemption and spiritual warfare that will provoke thought long after you finish reading.
