The Nitty Gritty on Men Jason Michael

The Nitty Gritty on Men is what women honestly want to know about the opposite sex, but are afraid to ask. There are times when you positively love your man and other times when you just want to whack him over the head! Understanding men can be as difficult as convincing them to put the toilet seat down.

This book exposes the inner workings of the male mind so you can discover all there is to know about men and their baffling behaviours. The author of She Can Be Yours, Jason Michael, also explores new ways to turn your man on and ideas to spice up your sex life together.
