Yes, I Would...: An American Woman's Letters to Turkey Katharine Branning

Yes, I Would... comprises a series of imaginary letters written to Lady Mary Montagu, whose famous Embassy Letters were written in 1716-1718 during her stay in Turkey as the wife of the English ambassador. The author uses themes dear to Lady Mary, such as culture, art, religion, women and daily life, to reflect on those same topics as encountered during the author's past 30 years of travel in Turkey.
