WHO IS ELIJAH CLEARFATHER?

Futuristic bioweapon or good old-fashioned messiah? Reincarnated ex-porn star or mutant information-age revolutionary? The man who awakens in New York City's Central Park with no memory of his identity and the enigmatic message FATHER FORGIVE THEM F carved into the flesh of his back may be all of these things and more.

Taken in (and then expelled) by a group of freedom fighters battling the soul-deadening Vitessa Cultporation, Clearfather is a stranger in an even stranger land. Following tantalizing clues that point to the gnostic Stinky Wiggler, and pursued by murderous Vitessa agents, Clearfather embarks on a surreal odyssey of self-discovery across an America that resembles a vast amusement park designed by some unholy trinity of Walt Disney, Hunter S. Thompson, and Hieronymus Bosch.

Accompanying Clearfather is an unforgettable cast of characters—including Aretha Nightingale, an ex-football-playing drag queen; Dooley Duck and Ubba Dubba, hologram cartoon characters sprung outrageously to life; and the ethereally beautiful Kokomo, whose past is as much a mystery as Clearfather's own.

By turns hilarious and deeply moving, a savage, fiercely intelligent satire that is also a page-turning adventure and a transcendent love story, *Zanesville* marks the arrival of a brilliant new voice in fiction.
