London calling

Such a big, hectic, and crazy city as London isn't easy to navigate unaided, which is why anyone planning a trip there should grab this invaluable guide. A wide selection of hotels, from classic to designer, gives a perfect variety to choose from, whether it's the **Dorchester** in Mayfair, the **Soho Hotel**, a Notting Hill's **Lennox Hotel** or **Eleven Cadogan Gardens** in Chelsea. Antique hunters and style mavens alike will find their personal happiness in our list of must-see boutiques, restaurants, bars, and cafes; Angelika Taschen tells you where to procure a classic English tailor-made suit and where to enjoy tea and scones while you're wearing it. From Dickensian charm to modern cool, London has it all — and this guide will help you find it.

About the series: Angelika Taschen's Hotel series books are much more than simple hotel guides. They are meant to be taken along on your trip, as they not only feature the best and most interesting places to stay —from low budget to luxury — but also list **hot spots for each hotel's neighborhood**. Once you're installed in the hotel of your choice, you can peruse our suggestions for restaurants, bars, boutiques, specialty shops, and more.

Special features:

- **plastic jacket with silk screen**
- **hand-illustrated postcard**
- **a space for your personal travel notes**
- **an exclusive hand-illustrated map for each area**

Text in English, French, and German

From reader reviews:

Linda Cunningham:

Information is provisions for anyone to get better life, information nowadays can get by anyone with everywhere. The information can be a know-how or any news even a huge concern. What people must be consider whenever those information which is within the former life are challenging to be find than now could be taking seriously which one is suitable to believe or which one the actual resource are convinced. If you obtain the unstable resource then you get it as your main information you will have huge disadvantage for you. All of those possibilities will not happen with you if you take London: Hotels & More as the daily resource information.

Meredith Daugherty:

Are you kind of active person, only have 10 or 15 minute in your day time to upgrading your mind talent or thinking skill even analytical thinking? Then you are experiencing problem with the book than can satisfy your short period of time to read it because this time you only find book that need more time to be study. London: Hotels & More can be your answer mainly because it can be read by you actually who have those short free time problems.

Matilda Greiner:

That guide can make you to feel relax. This particular book London: Hotels & More was colorful and of course has pictures on the website. As we know that book London: Hotels & More has many kinds or variety. Start from kids until teenagers. For example Naruto or Private eye Conan you can read and think that you are the character on there. So , not at all of book are make you bored, any it offers up you feel happy, fun and relax. Try to choose the best book in your case and try to like reading which.

Gerald Wright:

A lot of guide has printed but it differs. You can get it by web on social media. You can choose the best book for you, science, comedian, novel, or whatever by simply searching from it. It is named of book London: Hotels & More. You'll be able to your knowledge by it. Without departing the printed book, it could possibly add your knowledge and make a person happier to read. It is most important that, you must aware about publication. It can bring you from one destination to other place.
