Westminster West Jessie Haas

Based on real-life events, a gripping historical novel from award-winning young adult author Jessie Haas

To Sue Gorham, life in Westminster West isn't fair, not at all. It isn't fair that she has to do most of the backbreaking chores on their Vermont farm while her sister, Clare, gets to take exotic vacations with their wealthy aunt. It all started when Clare, who's a year older than Sue, got sick. That was three years ago. Now, Clare is a chronic invalid too fragile to leave the house. One day Sue finds a diary in the attic, written by her father after he came home from the Civil War. After reading it, Sue suddenly falls ill. The sisters switch places as Sue becomes bedridden and Clare takes over her chores. That is, until the arsonist who's been burning barns in their close-knit parish community strikes again—and this time, it's the Gorham farm.

Based on real-life incidents in the author's hometown, *Westminster West* vividly recreates rural life during the 1800s as it tells a moving and intriguing story of family, community, and sibling rivalry.

This ebook features a map and a historical afterword from the author.

From reader reviews:

Ana Steadman:

Have you spare time for any day? What do you do when you have much more or little spare time? Yes, you can choose the suitable activity regarding spend your time. Any person spent their particular spare time to take a wander, shopping, or went to typically the Mall. How about open or perhaps read a book titled Westminster West? Maybe it is to become best activity for you. You know beside you can spend your time along with your favorite's book, you can more intelligent than before. Do you agree with it is opinion or you have some other opinion?

Rhonda Silva:

What do you think about book? It is just for students since they're still students or the item for all people in the world, what best subject for that? Only you can be answered for that question above. Every person has various personality and hobby for each and every other. Don't to be pushed someone or something that they don't desire do that. You must know how great and also important the book Westminster West. All type of book could you see on many sources. You can look for the internet methods or other social media.

Sanjuana Day:

Exactly why? Because this Westminster West is an unordinary book that the inside of the guide waiting for you to snap it but latter it will jolt you with the secret the item inside. Reading this book close to it was fantastic author who all write the book in such incredible way makes the content interior easier to understand, entertaining method but still convey the meaning entirely. So , it is good for you because of not hesitating having this any longer or you going to regret it. This amazing book will give you a lot of positive aspects than the other book possess such as help improving your expertise and your critical thinking technique. So , still want to hold off having that book? If I had been you I will go to the publication store hurriedly.

Anne Young:

Is it you actually who having spare time after that spend it whole day by watching television programs or just resting on the bed? Do you need something new? This Westminster West can be the solution, oh how comes? A fresh book you know. You are and so out of date, spending your free time by reading in this fresh era is common not a geek activity. So what these books have than the others?
