HOW WHITE YOU ARE!

If you thought you had white people pegged as Oscar-party-throwing, Prius-driving, Sunday *New York Times*–reading, self-satisfied latte lovers—you were right. But if you thought diversity was just for other races, then hang on to your eco-friendly tote bags. Veteran white person Christian Lander is back with fascinating new information and advice on dealing with the Caucasian population.

Sure, their indie-band T-shirts, trendy politics, vegan diets, and pop-culture references make them all seem the same. But a closer look reveals that from Austin to Australia, from L.A. to the U.K., indigenous white people are as different from one another as 1 percent rBGH-free milk is different from 2 percent. Where do skinny jeans and bulky sweaters rule? Where is down-market beer the nectar of the hip? If you want to know the places cute girls with bangs and cool guys with beards roam and emo musicians and unpaid interns call home, you'd better switch off the *Adult Swim* reruns, put down that copy of *The Onion*, pick up this book, and prepare to see the white.

From the Trade Paperback edition.
