Alonso, explorador de libros: El tesoro del Cid (Volume 1) (Spanish Edition) Juan de Argaño

Alonso es un chaval al que le gusta pasar el tiempo en la biblioteca. Con los libros puede viajar de un lugar a otro, desde el presente hacia el pasado. A veces, incluso al futuro. Quizá por eso es muy amigo de Sofía, la librera de El valle de Bezeq. Fue ella quien le regaló un extraño libro antiguo, sucio y con un complejo mecanismo que le permitirá, no sólo conocer el pasado, sino incluso cambiarlo. El tesoro del Cid es el primer episodio de la serie Alonso, explorador de libros. En esta ocasión, Alonso, el joven protagonista, se ve obligado a viajar al Burgos medieval con la misión de reparar la injusticia cometida contra Diego, el pequeño hijo del Cid Campeador. Alonso necesitará colaborar con los amigos del Cid, enfrentarse a sus enemigos y arriesgar la propia libertad. ¿Conseguirá salir victorioso? La colección Alonso, explorador de libros pretende acercar los clásicos a los chavales de hoy. No se ofrecen versiones para niños de las obras clásicas, sino aventuras que sirvan de anzuelo para enganchar a los jóvenes lectores con la gran obra en la que se inspira. Si después de leer El tesoro del Cid alguno decide acercarse al Poema del Mío Cid, se habrá conseguido el objetivo. Y si no da al salto, pero ha pasado un buen rato leyendo este librito, pues también.
