**Measuring ROI in Environment, Health, and Safety** Jack J. Phillips, Patricia Pulliam Phillips , Al Pulliam  
Within an organization, the responsibilities for environment, health, and safety are often under the direction of the same executive team in an organization. This new book shows how to measure the success of all types of programs and projects involving environment initiatives, health related programs for employees and citizens, and various safety programs in all types of settings. It also explains how to report results by using a step-by-step approach.
