## **Save Your Drama For Your Mama** Charlie Sheppard

Noted speaker and educator Charlie Sheppard shows you how management is not the opposite of leadership, but drama is. He provides a practical guide for eliminating drama from your life, your team, and your organization. The moment we feel like we don't have the power to make our own decisions, the ground is fertile for more and more drama. Included in this book is a unique code that you can use on the aChoice website to take the Drama or Leadership multirater survey. The reports generated by the survey are designed to help you learn more about yourself and your leadership potential. You can invite feedback from up to twenty people to discover how they perceive your leadership capabilities and drama tendencies. All the information is completely confidential. The concepts in the book and the survey will help you identify blind spots in your perception and begin to create drama-free zones in your organization and your life.
