**The Bible According to Gen Z: Help Your Young People Enjoy Life with the Bible** Adrian Blenkinsop  
The essays and personal stories in this volume of BSA Essays explore one aspect of engaging youth with the Christian faith: personal Bible engagement. Bringing decades of wisdom in youth ministry, and leaning on significant original research by the Christian Research Association, the contributors present a positive message in some sobering tones. If Bible engagement is to grow among our youth, a lot will have to change. This book asks whether we are willing to make those changes.
