## **The Bible and Contemporary Culture** Gerd Theissen

Why read the Bible? Gerd Theissen uses the wisdom gained from decades of teaching Bible instruction at a state university to address questions of the Bible's relevance in a postmodern, pluralistic society. He describes the core themes and enduring value of the biblical legacy for anyone seeking to be a well-informed, self-aware, and responsible citizen, and he commends the contributions the Bible can make to interreligious and secular conversation.
