The Canons of the Church of England

The sixth edition of the "Canons" replaces in its entirety the fifth edition and the supplements issued since that edition was published in March 1996. Amendments have been made to Canons number 21, 22, 23 and 25, as well as to Canons H2, H3, B2 and B42. The supporting material to the Canons has also been expanded in this edition with the inclusion of: a full list of those forms of service which have been approved and commended as alternatives to the Book of Common Prayer; the guidelines agreed by the House of Bishops in March 1997 on the admission of baptised persons to Holy Communion before confirmation; a full list of churches designated pursuant to the Church of England (Ecumenical Relations) Measure 1988; and the list produced by the Council for Christian Unity of Churches in Communion with the Church of England. Additional notes and cross references have also been inserted between the relevant Canons and this supporting material.
