Università@carcere (Italian Edition) Alberto Giasanti

Il volume, attraverso una interessante scrittura collettiva degli autori, testimonia dell'incontro proficuo tra società e carcere, tra esperienze dell'esterno ed esperienze dell'interno in un gioco di luci e di ombre.

Questo libro parla di mediazione con se stessi, di maschera, di ombra e di doppio, ma anche di conflitto e di perdono in un luogo tragico: il carcere. Come? Attraverso

sei narrazioni su temi quali: il divenire della coscienza, giochi di luci e ombre, leggere l'Amleto attraverso gli occhi della mediazione, il potere terapeutico e formativo delle fiabe, l'ombra del potere, i conflitti in Medea. Il testo rivela così al lettore l'ottica della mediazione dei conflitti tra le parti in gioco in una società, come quella attuale, la quale, pur essendoci totalmente immersa, nega

la violenza e cerca di allontanare da sé, nascondendole, tutte le parti negative nell'idea di esorcizzarle. Ma queste, se non accolte e riconosciute, ritornano più potenti che mai e prendono il sopravvento. E la dimensione del carcere ne è un esempio significativo. È proprio il carcere, nel nostro caso, che, in certe circostanze e dopo dolorose esperienze, diventa il luogo dove fare i conti con la propria ombra e che apre la strada per addentrarsi nei sotterranei dell'anima o del nostro lupo interiore...
