Do You Know Where Sea Turtles Go? Paul Lowery

This is an environmentally correct children's book about the life of a loggerhead sea turtle named Myrtle. The story takes the reader through the complete circle of life of a young sea turtle; from her hatching from her egg beneath the sand to returning back to the very same beach to lay her own clutch of eggs, via a journey across thousands of miles of oceans. Sea turtle endangerment is emphasized to help children appreciate the need to protect them.
