Home Land: A Novel Sam Lipsyte

What if somebody finally wrote to his high school alumni bulletin and told...the truth! Here is an update from hell, and the most brilliant work to date, by the novelist whom Jeffrey Eugenides calls "original, devious, and very funny" and of whose first novel Chuck Palahniuk wrote, "I laughed out loud---and I never laugh out loud."

The Eastern Valley High School Alumni newsletter, Catamount Notes, is bursting with tales of success: former students include a bankable politician and a famous baseball star, not to mention a major-label recording artist. Then there is the appalling, yet utterly lovable, Lewis Miner, class of '89---a.k.a Teabag--- who did not pan out. This is his confession in all its bitter, lovelorn glory.
