Plastic Figurines (Modern Plays) Ella Carmen Greenhill

Mum told me that there was something in his brain that was different, she said that he liked to put his toys in lines and that was a symptom or whatever. I used to go in his room and see all his stuffed animals in a line and I'd mess them up. I'd mess the line up.

Rose loves her brother Mikey. Mikey loves Rose, Bruce Willis films and the Teenage Mutant Ninja Turtles, but he hates change. When their mum is diagnosed with leukaemia, their world is plunged into chaos. Rose returns home to find a very different brother to when she left. But today is his eighteenth birthday and Rose wants everything to be perfect, though life with Mikey isn't ever that simple.

Inspired by events in the playwright's own life, *Plastic Figurines* is a funny and moving play that explores the relationship between siblings with very different views of the world.

It received its world premiere in a production by Box of Tricks Theatre Company, which comprised of a six-week national tour at Liverpool Playhouse Studio, New Diorama, the Lowry, Hull Truck, Derby Theatre, Theatr Clwyd from 8 April until 16 May 2015.
