## **Rhapsody for Mandolin & Piano** Victor Kioulaphides

The Rhapsody adheres to the original Greek meaning of its title: an array of songs sewn together. It also adheres to the later sense of the term, describing a work that is high-spirited, exuberant, and extravagantly emotional. The Rhapsody was composed as a series of episodes, some songlike, some dance-like, building progressively and featuring the musical and technical capabilities of the mandolin. It is a piece de concert in the French Conservatory tradition - a work both idiomatic for the instrument and demanding for the performer. Pages: 15 (piano pt.), 7 (mandolin pt.), 8½" x 11"; Level: Advanced; Performance Time: App. 12 min.
