## **Sonic Boom #9** Ian Flynn

The SONIC/MEGA MAN crossover event GOES BOOM! "Worlds Unite" Part Six: The war against Sigma has been waged! Sonic, Mega Man and X lead their unified friends against hordes of mechaniloids led by the armored, super-powered Deadly Six! That sounds pretty scary and exciting, and now is definitely the time for everyone to work together and pay close attention. Especially Sticks. She tends to do some distracting stuff, like falling off the Sky Patrol and landing into a Genesis Portal or something -- wait? Did she really? Well, where did she land? No way! Is that - -?! You won't believe where Sticks lands, but what you BETTER believe is that this issue sports some awesome cover art by Patrick "SPAZ" Spaziante!
