The Adventures of Tina & Jordan Jessica Lam

This story celebrates our differences and new friendships, through the lives of gender non-conforming children. Tina is a young girl who is not like the other girls - she doesn't like to wear the clothes her Mommy puts her in. And Jordan is not like the other boys - because inside he feels like a girl. The two meet on a playground when Tina comes to Jordan's rescue from two bullies calling him names. Through this story we begin to realize through the characters how important unconditional love and acceptance is; establishing that it's okay to be just as you are, as you are now, and that it's okay to be different.
